**DEFENDANT ELKO COUNTY'S ANSWER TO PLAINTIFF'S COMPLAINT AND  
COUNTERCLAIM**

COMES NOW the Defendant County of Elko by and through the Elko County District Attorney's Office and in answer to Plaintiff's Complaint Admits, Denies and Alleges as follows:

1. In answer to paragraph 1 of Plaintiff's complaint, Defendant Elko County admits that the Complaint seeks declaratory and injunctive relief, but denies each and every other allegation of paragraph 1.

1           2.     In answer to paragraph 2 of the complaint, Defendant Elko County  
2 admits that the issues in this lawsuit center upon the South Canyon Road, that the South  
3 Canyon Road is a dirt road that runs along the West Fork of the Jarbidge River and that  
4 the South Canyon Road is south of the town of Jarbidge, Nevada. The Defendant Elko  
5 County denies any inference in paragraph 2 that the United States Forest Service owns  
6 or controls the South Canyon Road.

7           3.     The Defendant Elko County lacks sufficient knowledge or information  
8 so as to form a belief regarding the truth of the matters asserted and therefore denies the  
9 allegations of paragraph 3 of the complaint.

10          4.     In answer to paragraph 4, Defendant Elko County admits that the  
11 Plaintiff is asserting a claim under common law trespass and the Endangered Species Act  
12 and that it is seeking an injunction, but denies that the Plaintiff is entitled to relief on its  
13 claims.

14          5.     In answer to paragraph 5 of the complaint, Defendant Elko County  
15 admits that the Plaintiff is the United States of America, but denies every other allegation  
16 of paragraph 5.

17          6.     In answer to paragraph 6, Defendant Elko County admits the  
18 allegations thereof.

19          7.     In answer to paragraph 7, Defendant Elko County admits the  
20 allegations thereof.

21          8.     In answer to paragraph 8, Defendant Elko County admits the  
22 allegations thereof.

23          9.     Defendant Elko County denies the allegations of paragraph 9 in their  
24 entirety.

25          10.    Defendant Elko County denies the allegations of paragraph 10 in their  
26

entirety.

1           11. Defendant Elko County admits the allegations of paragraph 11 of the  
2 Complaint as it admitted the same allegation contained in paragraph 2 of the complaint.

3           12. Defendant Elko County admits the allegation of paragraph 12 of the  
4 Complaint as it admitted the same allegation in paragraph 2 of the complaint.

5           13. Defendant Elko County denies the allegations of paragraph 13.

6           14. Defendant Elko County admits the allegations of paragraph 14 of the  
7 Complaint.

8           15. In answer to paragraph 15 of the complaint, Defendant Elko County  
9 admits that the Bull Trout are listed as "threatened" under the Endangered Species Act,  
10 but denies that the listing is proper and in that regard alleges that the listing is scientifically  
11 unsupported and was undertaken solely to provide a supplemental means by which the  
12 South Canyon Road could be kept closed by Plaintiff.

13           16. In answer to paragraph 16, Defendant Elko County admits that  
14 Defendants Carpenter, Johnson and Gerber planned and stated they intended to do  
15 construction work on the South Canyon road on or about the date alleged.

16           17. Defendant Elko County lacks sufficient information or knowledge so  
17 as to form a belief regarding the truth of the allegations of paragraph 17, and therefore  
18 denies the allegations in paragraph 17 of the Complaint.

19           18. Defendant Elko County denies the allegations in paragraph 18 of the  
20 complaint.

21           19. Defendant Elko County denies the allegations in paragraph 19 of the  
22 Complaint.

23           20. Defendant Elko County is without knowledge or information so as to  
24 form a belief as to truth of the allegations of paragraph 20 of the Complaint and therefore  
25  
26

denies the same.

1           21. Defendant Elko County realleges its answers to paragraphs 1-20 and  
2 incorporates them by reference.

3           22. Defendant Elko County lacks sufficient knowledge and information so  
4 as to form a belief as to the truth of the allegations of paragraph 22 of the Complaint and  
5 therefore denies the same and in that regard asserts that to the extent this paragraph  
6 alleges that the bull trout has been properly listed as a threatened species or that a take  
7 within the meaning of the Endangered Species Act was contemplated or would have  
8 resulted from the actions of Defendants Carpenter, Gerber or Johnson, those allegations  
9 are specifically denied.

10           23. In answer to paragraph 23 of the complaint, Defendant Elko County  
11 admits that plaintiffs agents have listed the bull trout as a threatened species, but denies  
12 that the listing was proper.

13           24. The Defendant Elko County denies the allegations of paragraph 24 of  
14 the Complaint.

15           25. Defendant Elko County denies the allegations of paragraph 25 of the  
16 Complaint.

17           26. In answer to paragraph 26 of the Complaint, Defendant Elko County  
18 admits that the Plaintiff is seeking declaratory relief and a preliminary and permanent  
19 injunction, but denies that the Plaintiff is entitled to relief on its claims.

20           27. In answer to paragraph 27 of the Complaint, Defendant Elko County  
21 realleges its answers to paragraphs 1-26 and hereby incorporates them by reference.

22           28. Defendant Elko County denies the allegations of paragraph 28 of the  
23 Complaint.

24           29. Defendant Elko County denies the allegations of paragraph 29 of the  
25  
26

Complaint.

1                   30. Defendant Elko County denies the allegations of paragraph 30 of the  
2 Complaint.

3                   31. In answer to paragraph 31 of the complaint, Defendant Elko County  
4 admits that the Plaintiff is seeking declaratory and injunctive relief, but denies that the  
5 Plaintiff is entitled to such relief.

6                   **I. AFFIRMATIVE DEFENSES**

7                                   First Defense

8                   The Complaint fails to state a claim against Defendant Elko County  
9 upon which relief can be granted.

10                                  Second Defense

11                   The Plaintiff has improperly listed the bull trout as threatened under  
12 the Endangered Species Act.

13                                  Third Defense

14                   Any damages that potentially would have been sustained by Plaintiff  
15 would be caused by the acts of persons other than Defendant Elko County, who were not  
16 the agents, servants, employees, joint venturers or acting on behalf of Defendant Elko  
17 County and therefore Defendant Elko County is not liable to Plaintiff, nor should it be  
18 restrained.

19                                  Fourth Defense

20                   As the focus of the Complaint appears to be on the proposed actions  
21 of Defendants Carpenter, Johnson and Gerber, Defendant Elko County lacks sufficient  
22 knowledge and information to plead other affirmative defenses and therefore reserves its  
23 right to supplement its answer in the future when it has sufficient information to assert such  
24 defenses.

## II. COUNTERCLAIM

1 For its counterclaim against the United States, the Counter claimant Elko County  
2 alleges as follows:

### 3 I. Jurisdiction and Venue

4 1. This Court has jurisdiction pursuant to its Order filed October 21, 1999,  
5 and 28 U.S.C. 1346 (f), Quiet Title. Venue is proper in this Court as the Jarbidge South  
6 Canyon Road is located in Elko County, State of Nevada, 28 U.S.C. 1391.

7 2. This counterclaim seeks a declaration, quieting title in the Counter  
8 claimant Elko County to an easement on the Jarbidge South Canyon Road to Elko County,  
9 pursuant to Section 8 of the act of July 26, 1866, 14 Stat 253, formerly section 2477 of the  
10 Revised Statutes of the United States.

11 3. Elko County is a political subdivision of the State of Nevada and is  
12 charged by State statute to manage a public road system within the boundaries of Elko  
13 County.

14 4. Elko County has accepted the Jarbidge South Canyon road as a public  
15 highway.

16 5. The Jarbidge South Canyon Road evolved from a primitive trail in 1896  
17 to a route improved by construction sufficient to accommodate wheeled traffic prior to any  
18 reservation of the underlying lands for public purposes and provided, throughout its  
19 existence until 1995 when it was damaged by flood, public and systematic access for  
20 commercial, recreational and religious purposes from at least the intersection of what is  
21 known as Pavlak Grade to what is known as Perkins Cabin, for Native Americans,  
22 trappers, miners, livestock owners, homesteaders, and visitors. Counter claimant does  
23 not yet possess a specific legal description of the South Canyon road and prays leave of  
24 this Court to amend this Counterclaim to include that legal description when it is obtained.

**PRAYER FOR RELIEF**

WHEREFORE, Elko County prays as follows:

1. That Plaintiff take nothing by its Complaint.
2. That judgment be entered against Plaintiff and in favor of Elko County:  
quieting title on the South Canyon Road to Elko County
3. For such other and further relief as seems just to the Court.

DATED this 13<sup>th</sup> day of November, 1999.
